9 v.  
10 ONE LEGAL LLC,  
11 Defendant.

Case No. [22-cv-00360-WHO](#)

**ORDER REGARDING SERVICE**

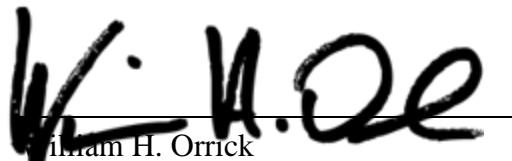

Re: Dkt. Nos. 29, 33

12 Pro se plaintiff George Jarvis Austin's request for an extension of time to serve defendant  
13 under Federal Rule of Civil Procedure 4(m) is GRANTED in part. Given that Austin's request to  
14 proceed *in forma pauperis* was pending until recently and Austin only paid the filing fee on June  
15 20, 2022, I find that the default 90 day service rule under Rule 4(m) runs from June 20, 2022.  
16 Therefore, Austin has until September 19, 2022 to serve defendant One Legal LLC.

17 If Austin requires an extension of time past September 19, 2022 to serve defendant One  
18 Legal LLC, he may file a further administrative motion supported by a declaration explaining the  
19 steps he has taken with respect to service and why additional time is warranted.

20 **IT IS SO ORDERED.**
